

Cherwell Edge has a friendly, active and expanding Ladies section, which caters for those who enjoy competition play and Ladies who enjoy social golf. We are very pleased to welcome new Lady members.

Ladies play throughout the week.

- Competitions are played on Tuesdays, Saturdays, and Sundays.
- On Tuesdays we have reserved tee times in the morning, although competitions can be played throughout the day.
- In addition, there is opportunity to play on other days, subject to your type of membership.
- There are options to play 9 and 18-hole competitions.
- Honours Board competitions and fun events run throughout the year.
- The Ladies also run their own competitions on some Saturdays throughout the season.
- For the 2024 season, mixed Sunday competitions have been introduced.
- There is also opportunity to play in friendlies, county events, England Golf and external golf-sponsored competitions.
- The Ladies Section integrates with the men's and senior sections to provide a selection of mixed competitions, open to everyone.
- Seniors mixed competitions run mainly on a Wednesday, and the Men's section competitions run on Saturdays.

If you don't feel in the mood for competitive golf or do not, as yet, have a WHS Handicap, then you are still more than welcome to join in for social golf with the Ladies Section on a Tuesday. If you wish to obtain your WHS handicap members of the Ladies Committee are always willing to support you with this.

New members are very welcome regardless of whether you are a novice golfer, looking to acquire your handicap or an experienced player. So, whether you have played golf before or would like to learn, come and join us. Support and information is available from the Ladies Committee members.

Contact Marion, Lady Captain on Ladiescherwelledge@gmail.com or via the clubhouse or Jason Roberts-Newman, General Manager at the Clubhouse on 01295 711591.

Marion or a member of the Ladies Committee, will arrange a welcome for you – perhaps 9 holes with an existing lady member, or a bucket of balls on the range and a drink so you can see the club and meet some of our members.

We look forward to welcoming you to Cherwell Edge Golf Club.
We are supporters and signatories to the Women in Golf Charter
