

## HEALTH AND SAFETY GENERAL POLICY STATEMENT

We Corvus Amateur Drama Society (CADS)

are committed to ensuring the health, safety and welfare of our members, so far as is reasonably practicable. We are fully committed to protecting others who may be affected by our activities.

Our members will be given such information, instruction and training as is necessary to enable the safe performance of their activities with us.

It is the duty of the committee to ensure that our facilities and systems of work are designed to take account of health and safety and are properly supervised at all times.

Competent persons are appointed to assist us in meeting our statutory duties, including where appropriate external specialists.

Every member, visitor and affected member of the public is encouraged to co-operate with us to ensure that our statutory duties are met. All members are reminded of their obligations to take care of their own health and safety, and for the safety of other persons who may be affected by their acts or omissions.

This policy will be audited annually to ensure that our health and safety objectives are achieved and maintained. It will also be reviewed whenever there are changes to health and safety law or organisational changes that affect health and safety.
