Organisation	Grant Awarded	Feedback
Be Crafty	£290	"We put on two one day workshops entitled Family Art in Nature Day. Many local families took part with ages ranging from 9 to 60. These took place at The Bridge Community Education Centre in Moulsecoomb where we did drawing to different music rhythms and then we walked to Wild Park where we did a number of drawing exercises called Zen Drawing. Then we came back to The Bridge where we finished with some short fun exercises to do with flowers. All of these exercises are designed to free up creativity and make drawing fun and non competitive."
Big Picnic in the Street Committee	£300	"Many, many thanks for the East Brighton Trusts kind sponsorship of our "BIG picnic in the street" which was a great success. We had about 300 residents attend and we have received many very kind letters and cards as well as comments about how everyone enjoyed the day. They're all asking me when the next one is going to be!"
