& art supplies		
The Green Centre, Manor Hill to help pay for a makeover of the shop front	£300	
North Moulsecoomb Tenants & Residents Association received to pay for a 'clean-up day' around area, also hire hall & refreshments	£300	
St Mark's Primary received to buy water bottles for all children & staff	£300	
Moulsecoomb Primary School to sponsor their Heritage, Environment & Food Festival	£300	"This was our third festival and over 700 school children from Brighton and Hove attending. There were over 12 workshops running at any one time – learning about Mesolithic life, making hurdles with the National Trust, bug hunts with Sussex Wildlife Trust, making bread with the Food Partnership etc. There was also a teacher training session attended by 70 staff and a food market at the end of the festival."
Gladrags Community Costume Resources to run creative workshops in 2 East Brighton primary schools to explore children's lives in the past and make toys/clothing from recycled materials	£300	
Hollingbury Table Tennis Club	£300	"We used the money to purchase team shirts for the Juniors that will be representing the club in team events next season. Last season we were delighted that our A team won the National Junior League for the South and then went on to win a place in the British Junior League at the qualifiers weekend in Nottingham. Next season we plan to enter one team in the British Junior League and at least two teams in the National Junior League. These will be extremely exciting events for the youngsters to take part in, and the shirts will no doubt help to engender a sense of team spirit and pride."

Moulsecoomb Bangladeshi Women's Group for a day trip for Bangladeshi women, children and other families	£300	"The group recently went on a trip to a garden centre and fruit/vegetable picking farm in Worthing. The group hired a coach and almost 40 female residents and their children attended. Your grant was, not only for supporting a multi-cultural event but also as it allowed residents to visit somewhere new and mingle with their neighbours. This funding has gone a long way to reducing isolation and encouraging shared experiences amongst BME residents."
Moulsecoomb Women's Cookery Group for the cost of ingredients for 10 weeks to teach young mums how to cook economical tasty meals from scratch to take home for the whole family	£300	"The parents have chosen as a group what to cook – the only stipulation is that it has to include 5 fruits and/or vegetables. Dishes have included quiche, shepherd's pie, curry, sausage casserole and lasagna. 'Cookery group helps me get to know other people as well as learning to cook. We have a great cookery teacher who helps and teaches us a lot and we cook a lot of healthy meals. I look forward to my group every week.'
Food Coop based at St.Georges Hall for a promotion day for healthy eating and bringing the community together	£300
