Instructions for Using Wood Pellets as Horse Bedding

FROM THIS

TO THIS

IN JUST 15 MINUTES

Step 1

If a mat is being used you will require 6 bags.

If no mat is being used you will require 8 bags.

Step 2

Fork the pellets evenly across the stable floor.

Step 3

Add approximately 20-25 litres of water.

Step 4

Wait 15 minutes for the pellets to fully expand and the bedding is ready to use.
