HORSE WHISPERER RETURNS TO RESCUE CENTRE

Following the huge success of his visit last May, horse whisperer Adam Shereston is returning to the Easy Horse Care Rescue Centre, Rojales.

Adam will be staging a demonstration on September 10th from 10am to 2pm. There is a suggested donation of five euros for those attending the event, which will go toward supporting the work of the centre.

Adam is also holding a two day course to teach natural horsemanship on 11th and 12th September. The course will also be open to spectators for a suggested donation of 10 Euros per day. It runs from 10am to 5.30pm.

Horse whispering, or natural horsemanship, is a form of gentle training with the objective of understanding and working in partnership with the horse, rather than forcing it to submit through dominance and pain.

Adam Shereston is a well-known horse whisperer, who works with many top horse trainers in the UK and regularly travels around Europe, where his skills are in great demand.

You don't need to be an expert in horses to enjoy watching Adam work. His demonstrations are entertaining and inspirational for anyone with a love of animals.
