

The Friends of English Bowling

In the light of the latest Government advice on Coronavirus an Emergency Meeting of Bowls England has decided to cancel the National Competitions 2020, Internationals Events and High-Performance Events for the season.

It is therefore with great regret that the Committee of 'The Friends' has decided that we must cancel the fixture list for this season.

In these difficult times our first thoughts are for the health and safety of our Members and we hope that you will all stay fit and healthy through this year and we can return as soon as possible to the game we love.

I am sure that you in turn will try and protect your clubs in every way possible to ensure they are able to continue.

Most of you will have paid your Membership for 2020 and we suggest that for those that have renewed that their membership is 'rolled over' into next season 2021.

If you object to this or want your membership returned for this year please do not hesitate to contact us.

'The Friends' is the biggest supporter of the sport of outdoor bowls and uses its funds to support the National Championships and Competitions at Leamington Spa. We do hope that we will soon be back bowling.

In these uncertain times we do not know how long it will be before we can resume, but if there are any changes to the programme we will keep you advised initially by e-mail.

Keep fit and healthy. Take care.
