

M.C.I.B.A. v Hampshire C.B.A.

Tuesday 18th February 2020 at Herga I.B.C.

Middlesex played their penultimate match of the Inter-County Friendly season today with a game against Hampshire County Bowls Association at Herga IBC.

Hampshire had a depleted side due to their success and involvement in the National Over 60's Inter-County as they were also playing the Semi-Final today against Kent but unfortunately lost 118-106. Well Done to Hampshire on getting to the Semi-Final.

Middlesex took advantage of this to secure a 160-108 (4-2 on Rinks) victory after taking an early lead to which they never looked back upon.

Top Rink was Bob Parsons, Gary Welch, Terry Elliott and Bryan Putnam who won 38-14.

A big Thank You to Chris Daykin of Herga who stepped in to help the visitors with their one player shortfall.

A special mention to the Hampshire President Nigel Bechelet who, not only was the only officer present due the Over 60's Liberty but on his selection for the Bowls England Disability team that are going to play in New Zealand in November.
