

The Lawns(Enfield) Indoor Bowls Club.

Good news for the 2020-2021 season.

Bowlers will have the flexibility to pay for either 6, 7 or 8 months of bowling.

October to April(inclusive)

October to March(inclusive)

Gone are the days when you would have to pay for the full 8 months, even if you were to miss September and April because you were playing outdoors.

Great news and the club is hoping this will attract more bowlers to the Lawns. Contact details can be found on the MCIBA website.
