## CHAIRMAN'S WELCOME

May I, as Chairman of Acme Wheelers [Rhondda] CC, welcome you to our 2017 **Bryn Griffiths Memorial** Open 25. At the time of writing this I do not know the home locations of all our entrants but I am aware that we have riders coming from all parts of England and Wales, including our old friends from Guernsey making a return visit. We value your support and hope it continues for many years to come.

I wonder if this event will be on the calendar in 90 years' time. I say this because this year Acme Wheelers celebrates its 90<sup>th</sup> anniversary. The Club was formed by a group of coal miners in 1927, keen to enjoy the fresh air on the only day they could, the Sunday Club Run. The name "Acme" was taken from the maker's name on their work tools.

I would also like to take this opportunity to thank our Club members who have given up their time to take on a variety of tasks, without which the event could not take place and a special mention to this year's Event Secretary, Simon Kinsey, taking on this role for the first time. We are grateful to our time keepers for today, Tudor Thomas and Robin Field, for their dedication in being prepared to spend many hours at the start and finish lines.

I wish you all a successful day, a safe ride and may you all achieve your personal goals whatever they may be.

*Jeff Matthews*

There will be marshals stationed at key points throughout the course but please remember that their role is to help you steer the right course. Ultimately though, that's your responsibility as a rider and the marshals have no authority to control traffic. So please take the time to familiarise yourself with the course, particularly the turnaround point at 15.1 miles. To assist you in this, we've created a short video clip of this section of the route. Digital readers please click [here](#); paper readers please visit <https://www.youtube.com/watch?v=ymXoQtHxn4w>. Please don't ruin a good ride by taking the wrong exit!

## AWARDS

We're delighted to offer a prize fund of **£290** at our 2017 event, to be distributed as shown below. We want to reward excellence but also provide opportunities for riders at every level so hope our **best improver** awards will provide motivation for everyone to, literally, do their best!

Award	Value
1 <sup>st</sup> male	£40
2 <sup>nd</sup> male	£25
3 <sup>rd</sup> male	£15
1 <sup>st</sup> female	£40
2 <sup>nd</sup> female	£25
3 <sup>rd</sup> female	£15
1 <sup>st</sup> junior/juvenile	£20
Fastest veteran against standard	£20
Most improved male	£20
Most improved female	£20
Most improved junior/juvenile	£20
1 <sup>st</sup> team of three	£10 X 3
Spot prize/raffle	???

In addition, the overall fastest rider's name will be recorded in the **Bryn Griffiths Memorial Book** and the fastest team will receive the **N&N Trophy** – both to be presented at the conclusion of the event.

A few points to note:

- Whilst technically they're split across two events, male riders will be regarded as a single "pool" for the purposes of these awards.
- Similarly, junior/juvenile riders are regarded as a single pool regardless of gender or event.

- The best improvers will be assessed against the LTS performances that appear on the start sheet, but only actual LTS performances are eligible – sorry, but estimated PBs won't count. We'll make every effort to gather the very latest PB time for each rider from the CTT website, but will use the information on the start sheet as our definitive reference point.
- The spot prize is offered in recognition of this being the 90th anniversary of Acme Wheelers CC – so upon returning their race number, the rider who draws raffle ticket number 90 will collect a mystery prize!
- We're **not** operating a one-rider-one-prize rule; so if you earn it, you get it.

## DISTRICT RULES

All riders are asked to comply with the following.

- Please call your number to the finishing timekeeper otherwise your time may not be recorded.
- Please keep your head up, be aware of your surroundings and HAVE A SAFE RIDE.
- IN THE INTERESTS OF YOUR OWN SAFETY Cycling Time Trials and the Event Promoters strongly advise you to wear a HARD SHELL HELMET that meets an internationally accepted standard. In accordance with Regulation 15 ALL JUNIOR competitors must wear protective helmets. It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position visible to following road users and is active whilst the machine is in use.
- This event may be subject to doping control. It is YOUR responsibility to check.
- Sign in AND sign out; failure to do so will result in a disqualification.
- Please don't pass the start time keeper or warm up on the course.
- Don't use a turbo trainer within 100m of residential areas or in Station Road opposite the start timekeeper (Thirteenth Avenue).
- No parking in Halt Road near the start. South Wales DC has already received complaints about riders parking across residents' driveways and can ill afford any more.
- The R25/3L has already been withdrawn because of nuisance complaints; regrettably, some riders still don't appreciate that we're guests in the Rhigos Village area.
- No anti-social behaviour – in especially urinating in public. It really shouldn't need mentioning, but unfortunately it does.
- Failure to follow these basic rules will result in a disqualification and referral to the South Wales DC for further disciplinary action.
- Please respect this information and accept these notices as a fair warning. We will have spotters patrolling the area to ensure compliance but we hope everyone will help us maintain the reputation of the sport we all enjoy.
