**Winner – Guy Rees**

I would like to thank all the volunteers who fulfilled so many roles over the weekend – time keepers, marshals, checkers, runners, catering – without them the event could not happen.

Due to ongoing roadworks on the planned course the club together with CTT made the decision to change the course to the R50/5 so the event could continue but also allow riders the opportunity to ride the course in preparation for the forthcoming National event at the end of June.

It was lovely to hear the positive feedback from the riders about the course and also the warm comments about the marshals and support around all the course.

Good luck to all the riders in all your upcoming events and to those taking part in the National 50TT at the end of the month good luck and hopefully this event has helped you in your preparations.

Best Regards,

Jonathan
