

Firstly, a big well done to all competitors for getting yourselves to the start line and having a go! Fantastic! Secondly, well done on your superb performances!

Looking at those cracking times, on a notoriously slow course with THAT climb, I'm confident that those of you who have qualified will give a good account of yourselves in the 2014 GHS National Final* (organised by our friends in Central District on a course just north of Leicester) and be amongst the challengers.

Your parents, your clubs, your school and the South Wales District are proud of you so carefully ramp up your training during the school holidays and give it your best shot in the National Final and, more than anything else, enjoy the experience.

South Wales FTW!!

Alf Williams
EVENT ORGANISER

Acknowledgement

The event organiser and the South Wales District would like to thank the Port Talbot Wheelers for accommodating this event within their Open 10-mile time-trial.

* Saturday, September 13th, 2014 – qualifiers will be automatically entered.

Promoted for and on behalf of Cycling Time Trials under their Rules and Regulations
