The event was run in favourable conditions, clear blue skies, with the marshals out on the course reporting calm conditions, the scene was set for some very fast times, we were not disappointed.

Hamish Bond, a man who is already a double Olympic gold medal winner in rowing, now applying his finely honed skills of explosive power and endurance into a big chain ring and two wheels. The man flew around the course in a PB time of 45.22

Another record went tumbling in the mixed Tandem. Howard Lewis and Becky Lewis finished the course in a UK record time of 47.46

A big thank you to all of the riders who turned up for the event.

Many thanks to the help from the official time keepers Martin Heritage-Owen and Tudor Thomas without whom the event would not have been possible. I would also like to thank the kitchen staff who put on the catering, a great spread as usual. To all of the marshals who turned up on the day, thank you for supporting our club.

Well done to all the Prize Winners and thanks to all those that stayed for the prize presentation.

Thank you once again to South Wales DC for their co-operation in increasing the field limit to 150 riders so that all riders got a confirmed ride.

Martin
