THANKS

To all who entered, especially the 82 who rode and stuck with us through a last-minute change of course.

The westerly wind wasn't from a particularly helpful direction (south-west would be best – as for course R50/1 which is two laps of the same). Unsurprisingly, times were a minute or two slower than last year on R25/7. Although only 7 competitors improved their LTS there were still some excellent rides done, particularly among Women and Juniors, and including the winner who did a time we suspected to be a new Course Record.

After poking around in a dusty WCA archive Robin Field unearthed reference to a then new Welsh 25 mile TT Comp Record of 50:51 set on this course back in August 1998 by Matt Postle. As 7a wasn't in serious use for much longer after that, it should be safe to assume no more recent contenders until this event, so Kieron gets the special CR prize too.

There were 7 DNF's. and 36 DNS's out of the 125 total. While this is rather more than expected in fine weather, the change of course certainly didn't help. Apologies for the abnormally high number of competitors who punctured: I haven't heard any explanation for this.

AND THANKS ESPECIALLY

to everyone who devoted their free time to make this a successful event :-

Bob Jones (signage fixer)

Keith Morgan (marshal at the Mitchell Troy turn, Monmouth end)

Baz Williams & Butch Davies (marshals at the Hardwick roundabout, Abergavenny end)

Tony Howell, Port Talbot Whs (finishing timekeeper)

Shirley Howell, Port Talbot Whs, with Robin Field, Cardiff Byways RCC
