THANKS

To all who entered, especially the 93 who rode.

While not so hot as last year, the south-westerly was as unhelpful a wind direction as is possible on this course. Although only 10 competitors improved their LTS there were still some excellent rides, including the winner who did a new Course PB by 8 seconds, thereby moving to within 12 seconds of Course Record.

There were 2 DNF's. and 28 DNS's out of the 123 total. While this is rather more than expected in fine weather, traffic congestion on the M4 accounted for a number of entrants failing to arrive in time.

AND THANKS ESPECIALLY

to everyone who devoted their free time to make this a successful event :-

Bob Jones and Will Pring (signage fixers)

Robin Field, Cardiff Byways (starting timekeeper) with Bob Jones (pusher-off) & Will Pring (2-up pusher-off)

Will's pal (?) who ran down all the way from the start to marshal the A472 T-junction

Ray Braddick, (marshal at slip-road-off, Monmouth)

Glenda Fisher, WCA (finishing timekeeper)

Will Pring & Robin Field (number spotters, recorders, and transmitters of results to HQ)

Reg Pharoah (scoreboard at HQ)

Reg & Mo Pharoah (for making the catering look easy)

Everyone else who offered to lend a hand.

HQ Arrangements -

Particular thanks to Jenny Vee, Clerk of Usk Town Council, for making the venue available.

Apologies –

To anyone who would have preferred a few more marshals around the course: unfortunately an alternative cycling event in Yorkshire proved too strong an attraction for all our other (absent) club members!
