Bynea CC and myself would like to thank all concerned for the successful outcome of the Mens National 25 mile Time Trial without whom the event would not of been possible.

The positive feedback on the day and afterwards was greatly appreciated by myself and all the team involved.

The riders deserve credit with their exemplary behaviour before, during and after the event had finished.

I would like to thank Stewart Smith for his invaluable advice and support. Shelia Hardy for her kind words towards the riders, officials and helpers. And Dave Berry with the helping of the setting up in the HQ.

Many thanks got to James Smith and Primal Europe for their generous sponsorship of the event. Please do visit www.primaleurope.com to see what special offers they have on their extensive range of cycling clothing
