## NOTES TO ALL COMPETITORS

This event is preceded by the GHS District Championship. Apart from being the South Wales District Championship it is also the qualifier for the National GHS Championship due to be held in Berkshire in September. Please give these young riders every encouragement and please stay for their award presentation.

The headquarters will be open at about 13.00hrs and race numbers will be available from about 13.15hrs. Please note that this year we are not in the main hall but have to use the lounge and bar areas.

Please do not park on any part of the service road, as there have previously been complaints from lorry drivers being unable to make the turn. We've got a good course and a good venue so let's keep everyone sweet.

In addition, please do not park in the small car park alongside the event HQ – it would be nice to reserve that little area for the timekeepers, marshals and the catering team. There is a MASSIVE car park just a little bit further away folks, so please use it!

Please remember to sign on and look out for any updated safety information!

All competitors must, at all times, obey the rules of the road and the rules of our sport. Please don't take any unnecessary risks and make getting back home to your families your first priority and a fast time your second priority. Keep your head up and have a safe and speedy ride.

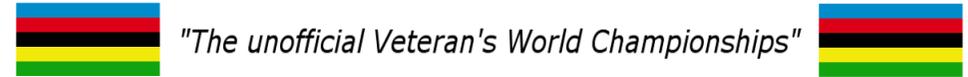

The CTT, the South Wales Police and the event organiser all strongly recommend the use of Snell/ANSI helmets (compulsory for all riders under 18 years of age).

Promoted for and on behalf of Cycling Time Trials under their Rules and Regulations
