## NOTES TO ALL COMPETITORS

- Please remember to sign on and look out for any updated safety information at the signing on table!
- All competitors must, at all times, obey the rules of the road and the rules of our sport. Please don't take any unnecessary risks and make getting back home to your families your first priority and a fast time your second priority. Keep your head up and have a safe and speedy ride.
- The CTT, the South Wales Police and the event organiser all strongly recommend the use of Snell/ANSI helmets (compulsory for all riders under 18 years of age).
- It is recommended that a working REAR LIGHT, either flashing or constant, is fitted to the machine in a position visible to following road users and is active whilst the machine is in use.
- Please note we are not allowed to place direction arrows on the Dual Carriageway. Please ensure that you are familiar with the course so that there are no surprises. It is the rider's responsibility to ride within the laws of the road and with consideration to other road users, so please do so.
- While every effort will be made to ensure turns and junctions are marshalled, the obligation lies with each individual rider to ensure familiarity with the course. Neither the organiser, the promoting club it's officers or members take any responsibility for any riders' deviation from the course.

**Return your number for a free cup of tea. Additional drinks & cakes will be available and all we ask is that you make a voluntary donation to Ty Hafan. Bring plenty of change and be as generous as you can.**
