Congratulations to all racers on the day, some excellent times were recorded and a couple of PBs here and there, which is fantastic this early in the season and bodes well for the rest of the year.

Also a special thanks goes out to the marshalls, timekeepers, pushers off, tea ladies and club officials who all made the day possible. Without you, the races don't happen.

Look forward to seeing you all again next year, hopefully with a season best under your belt...
