Many thanks to Sharon Preddy Catering for an excellent selection of cakes and bacon butties and to Alan Haycox and Mark Hiddlestone for marshalling duties. Maddy Bull was a hero as pusher off and helping with course signage. Thanks to Stuart Evans for taking care of the result board having decided not to ride as few days before. Congratulations too for those who were rewarded with personal best times in the rain.

Thanks you to everyone who entered I appreciate the support and I'm sure there will be some disappointed riders that took the understandable decision not to come given the uncertain weather forecast.

On a sour note a complaint has made on the day by a member of the public about two riders urinating in front of their house, unfortunately he was unable to provide identification details. Being on the end of a 5 minute hairdryer experience was not pleasant. Worst still they have informed the police and the local councillor (this is the second complaint I'm aware of) and are threatening to do everything in their power to get events here removed. Please take this as a **VERY SERIOUS WARNING** otherwise both R25/3 versions of the course will be at risk. Both must start in the village to conform to CTT regulations and the constraints imposed by the limited finish options.

On a lighter note, Kimroy took photos of the event and rider's photos can be found in galleries here: http://www.kimroy-photography.co.uk/gallery2/main.php?g2_itemId=430666 I hope to see you again in 2016 when @realteamcycling intends to run a very similar programme to 2015.
