Thanks to all that turned up today and over the weekend, I know it wasn't the event you'd hoped it would be. Thanks also to all my marshals and helpers and time keepers who do a fantastic job. I can tell you now, it was the most stressful event I have put on over the years, I seemed to lurch from one problem to another. At this point a special thanks to the district sec, Robin Field for the work he put in for the 2 events, neither of which would have happened without him due to all the road issues we faced.

Hopefully see you all next year, and all the planned work coming up is finished.
