80	Ben Anstie	Cadence R.T.	M	-	9:20

Stay alert, especially on first junction after the downhill start, and just after the tunnels at Monmouth where there is a busy petrol station and dopey Sunday morning drivers intent on their fags & papers!!!

If it's wet it will be slippery. Both I and "The District Sec" dislike doing paper work for the sake of one second!

Thank my marshals around the course as they're all volunteers.

Oh and have a nice day!

Paul
