Thank you once again to everyone who turned up to ride; conditions I thought would be perfect for quick times for the 25. In reality some went faster than the previous week, some went slower. As a Ross opens weekend all went well with the 10 having a new course record with many PB's. Well done to all the prize winners over the 2 days.

Thanks also to my small team of marshals out on the route who did me proud. John & Glenda timing and Lance prize giving. Catering was 1<sup>st</sup> class as per usual with a better selection of cake than ever. There's a list of people I owe special thanks this year, Will for our results service, Robin for Timekeeping when things were looking bad, Tim from Echelon for the spot prizes and last but not least her indoors for keeping me sane-ish whilst I practice my 1 fingered typing.

Hopefully see you all next year  
 Paul Stephens
