Thank you all for entering and I hope you all enjoyed the dry conditions and the quite late start.

I really must thank all my time keepers and marshals (Mainly Port Talbot Wheelers Members), who had to spend over 3 hours at their posts; Events like these could not happen without them.

Special thanks to Les Thomas for his computer skills and production of start and finishing sheets. A tremendous job was also done by David Davies on the result-board having to work out so many VET standards.

I must also say how pleased I am that so many of my family, my wife, daughters, their partners, grandchildren and some close friends rallied round in baking, catering, pushing off, marshalling and communicating the times from the timekeepers to the Dave on the results board.

Cheers, Hugh
