THANKS FOR YOUR SUPPORT

To the riders and their families who joined us at the weekend, we're very grateful for your support. Thanks for attending – it was great to see so many of you back at the race headquarters, enjoying a chat – and, of course, some well earned refreshments.

The weather was kind to us on the day – overcast at first, then bright and warm as the event got underway, but little or no breeze. They were probably the most favourable racing conditions we've seen on the course in 2019 to date. Certainly some of results back that up:

- we saw 33 riders set new PB times on the day;
 - they did so by an average of more than two minutes each;
- in total, 83 riders broke the hour mark;
 - that includes 53 riders quicker than 55 minutes;
 - and 10 riders quicker than 50 minutes;
- seventy veterans completed the course, ALL of them quicker than their age-based standard time;
 - these standards have recently been updated to take account of current performance levels;
 - our veterans beat the target by an average, yes an AVERAGE, of 13m 56s;
 - and collectively they beat their targets by more than sixteen hours!
- a total of 81 Welsh cakes left Treorchy in the morning;
 - mysteriously only 79 of them made it to the race HQ;
 - none had survived by the time I got back to there – we'll have to make more next time!

Our congratulations to the riders who picked up awards on the day; their details are listed later in this document. Special mentions go to two riders in particular:

Ella Barnwell, Towy Riders Cycle Club
Winner, junior and female categories

Eoin Whelan, Virtual Cycling Club
New Irish Masters record

- **Ella Barnwell** [Towy Riders Cycle Club] rode her very first 25-mile event with us on Sunday. From her performances at the 10-mile distance it was clear that a quick ride was on the cards, but the final result was a staggering 54m 03s which earned Ella the junior's category and the overall female category. Remember the name!
- **Eoin Whelan** [Virtual Cycling Club] travelled from County Galway in the west of Ireland in a bid to set a new Irish Masters record. His previous best time of 50m 13s seconds suggested that he had a decent chance, and he was warmly congratulated when his result of 49m 31s earned him a new record – shaving 10 seconds off the previous one. There was some paperwork to be signed by the timekeepers and other officials, and Eoin's performance will now go forward for ratification by Cycling Ireland. Well done Eoin, we're all very proud of you.
