A VERY WARM WELCOME

To the riders and their families attending our very first time trial event, thank you for your support and we hope you enjoy your time with us on Sunday.

You'd be forgiven for wondering what this "Virtual Cycling Club" thing is all about, so let me explain. We're an online community of cycling friends, sharing ideas and supporting each other through the ups and downs of training and racing. We're in our first season of affiliation to the CTT and have some ideas that will hopefully allow us to grow in future years to attract members from across the UK. As the name suggests, we don't have a defined geographical area. We're excited about the future but, for now, we're very grateful for your support at this initial event.

Please ride safely on the course and take a few minutes to read the directions in this booklet. There are a couple of opportunities for you to go off course – I speak from experience on that point – but we hope our signage, course directions and marshals will help you stay on track.

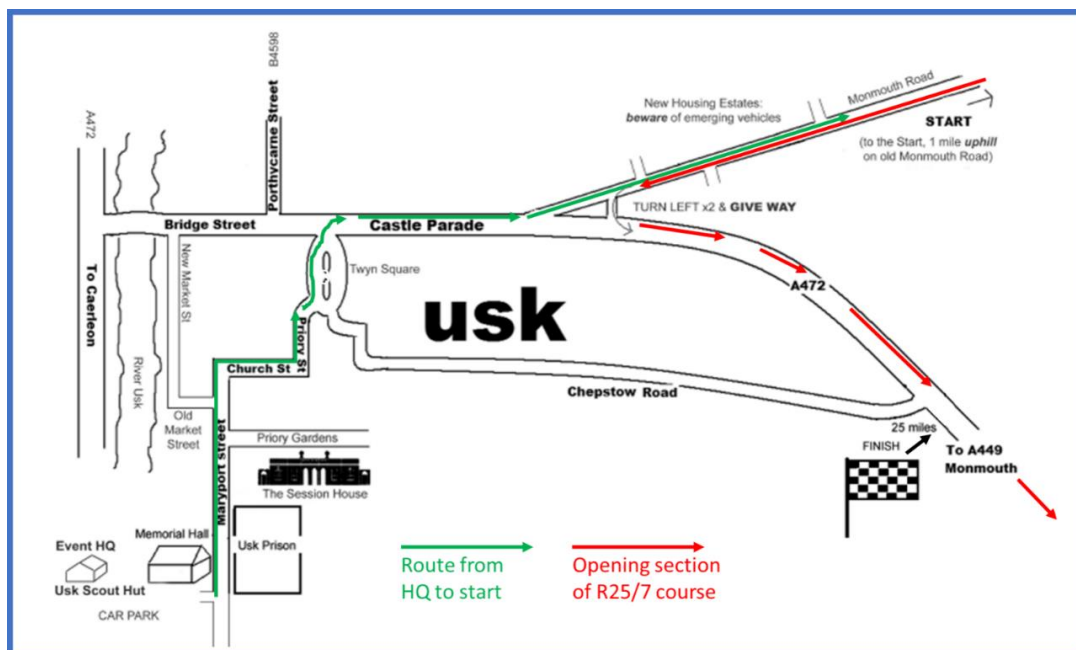

We're grateful to our timekeepers Martyn Heritage-Owen, Robin Field and Frances Field whose devotion to time trialling in South Wales is exceptional. Their diligence and professionalism are a source of reassurance to organisers and riders alike.

You can look forward to a free drink back at the HQ after your ride, plus a variety of snacks for the price of a donation. We'll have gluten free and vegetarian options waiting there for you. Please also stick around for the award presentation if your schedule permits – we're doing something a bit different with the prizes at this event and we hope you'll approve. See you on Sunday!

Simon Kinsey

GETTING TO THE START

It's a ride of 1.4 miles from the HQ to the start line, the second half of it uphill; we suggest allowing about 10-15 minutes for the trip. Below is a suggested route, adapted from a sketch kindly provided by the Cardiff 100 Miles CC. Digital readers can click here for [Strava](#), [GPX](#) and [TCX](#) versions.

THE R25/7 COURSE

- Start on southbound side of Monmouth Road (unclassified) at approximately SO 38983 02022, opposite post between gates on right to farm buildings and to "Usk Castle Chase Natural Burial Ground", 125 yards south west of "Bends for 1 1/2 miles" sign on the old Usk/Raglan road.
- Proceed towards Usk. At the foot of the hill turn left and left again onto A472 and proceed to take left hand lane at Llangeview interchange to join the A449.
- Proceed via Raglan interchange where the road becomes the A40.
- Continue to pass picnic area (11.757 miles) and through tunnel (12.5 miles point is 100 yds inside the tunnel).
- After tunnel bear left and in 300 yards at garage turn left with great care onto B4293.
- Cross over tunnels and in 2/3 mile keep straight on, remaining on unclassified road (taking care at pedestrian crossing) to rejoin the A40 at Mitchel Troy. (Sign for "Mitchel Troy" at 14.367 miles)
- Retrace via Raglan interchange and at Llangeview bear left to leave A449 and proceed on A472 to finish opposite 2nd drain cover on right, 25 yards beyond telegraph pole DP63 and 350 yards beyond rear of sign reading A449/B4235 on approach to Usk.

There will be marshals stationed at key points around the course but please remember that they're there for guidance only and have no authority to control traffic. Please take the time to familiarise yourself with the course – in particular we draw your attention to the following key points:

1.0 miles, foot of the hill, road sweeps around to the LEFT, take care

VIRTUAL CYCLING CLUB 25-MILE TT, 2018

www.strava.com/clubs/virtualcyclingclub

1.1 miles, junction ahead, turn LEFT but be prepared to GIVE WAY

6.5 miles, REMAIN on the A449, if you took the exit ramp you wouldn't be the first to do so but it's not a club you want to join!

12.4 miles, approaching the tunnel, be prepared to turn LEFT on exit

VIRTUAL CYCLING CLUB 25-MILE TT, 2018

www.strava.com/clubs/virtualcyclingclub

12.6 miles, emerging from tunnel, bear LEFT

12.8 miles, passing the petrol station, turn LEFT with great care at the mini-roundabout

13.2 miles through to 15.0 miles, road surface on B4293 is less than ideal, pot-holes might be hard to spot under tree cover

VIRTUAL CYCLING CLUB 25-MILE TT, 2018

14.6 miles, keep RIGHT at the fork to remain on B4293, you'll soon rejoin the A40 which is currently on your right hand side

AWARDS

With a relatively small field our options for prizes are a little limited so we've decided to do something a bit different. We sense that for the vast majority of TT riders, prize money is not the primary motivation when entering events. And we reckon recent announcements from CTT will probably lead to event organisers being quite creative in this regard in future years.

So, keen to do our bit for society, we've decided to test our hunch by asking the winners in the following TWELVE categories to nominate a charity to receive a £10 donation. Please give this some thought. It could be something to help medical research, animals, kids, vulnerable people – whatever's close to your heart – tell us what matters to you and we'll make sure they benefit from your efforts on the day. We'll also publish the details of those charities in the result book and give them a mention on our social media channels.

Additionally, in selected categories the winners will receive a small monetary prize and/or free entry into our second event of the year, a [10-mile TT](#) at the R10/17 course on September 16th.

The course record belongs to Kieron Davies who set a time of 46m 51s in the CC Blaenau Gwent event in 2017.

The best improver will be assessed against the LTS performances that appear on the start sheet, but only actual LTS performances are eligible – sorry, but estimated PBs won't count. We'll make every effort to gather the very latest PB time for each rider from the CTT website, but will use the information on the start sheet as our definitive reference point.

We're not operating a one-rider-one-prize rule; so if you earn it, you and your charity will get it.

DISTRICT RULES

All riders are asked to comply with the following.

- Please call your number to the finishing timekeeper otherwise your time may not be recorded.
- Please keep your head up, be aware of your surroundings and HAVE A SAFE RIDE.
