Welsh Points Competition

Congratulations to all the prize-winners on their achievements. This is the first time that I can remember the Welsh Championship 100 being held 'down west' and from comments I received from you the event went well – apart from the wind!

Some riders felt that the course may be better if it was rearranged; going from the start straight to Abergwili and then the long leg up to Brecon, retracing to Llandeilo r/a and then to finish at the same spot. I shall discuss this with the DC Committee to see if there are any external aspects e.g. timings at level crossing at Llandovery which would not make this possible.

I have not been able to chase up the Champions' Caps yet but they will be obtained: you have my word on that.

Many thanks to all the helpers who made the event the success it was but I must especially thank David Brice for agreeing to open up the hall and starting the event for me – saving me a great deal of travelling.

The Welsh CA is a fundamentally important part of time trialling in Wales and long may it continue. With a little bit of help from about 10 – 15 people in Wales its future will be assured. Could you be 'one of fifteen'?

Robin.

The Welsh Time Trial Champions will be presented with their trophies at the Annual Welsh BAR Lunch. **Sunday 4 November 2012 at the Hawthorn Leisure Centre.**
