Rider Safety & Notes to Helpers

Riders & Helpers should read this section with particular care

Obey all traffic regulations – the police monitor compliance at various points during the event – please do not put the future of the 12 at risk with irresponsible riding

- 1 Traffic lights on A465: the traffic lights on Llangua Bridge (60 & 82 miles from the start) are a modern installation and can detect a cycle and change for it. They usually cause little problem but the lights must be obeyed. There are police video cameras monitoring these lights.
- **Helmets:** the Police, Cycling Time Trials and the Welsh Cycling Association strongly recommend that all riders wear an approved cycling safety helmet.
- **Lights and visibility:** for better visibility, riders are recommended to fit a rear flashing red light which will enable you to be seen clearly on the dual carriageway especially on the finishing circuit. Recent 12s have been observed by Gwent Police who have advised that riders should have been using lights in poor visibility. Everyone participating in the event is also advised to wear high-visibility clothing including helpers.
- Numbers & signing on and off: pick up your number and food at HQ when you sign on. Spare numbers are available to go with a change of clothing. Numbers will be given after you have signed on and handed in your car registration form. Any extra safety information will be given as you sign on. There will also be a number for your helpers to put on their car this will help marshals to recognise your helpers. YOU MUST SIGN OFF AT THE END OF THE EVENT FAILURE TO DO SAY MAY RESULT IN A DNF AGAINST YOU. Please call out your number at the Monmouth garage (tunnels), Llangeview (Chepstow 14), Hereford and Hardwick checking points and when passing each of the timekeepers on the finishing circuit. With poor light, flapping numbers, etc, it can be difficult to identify individual riders so please help.
- **Regulations:** you have all signed an agreement with CTT stating that you are familiar with the Regulations. Riders and helpers must work within these Regulations. Please make sure your helpers also read these instructions. The future running of the event relies on appropriate behaviour from riders and helpers.
- **Course signage:** the course will be signed and marshalled as far as possible but not all turns will have marshals and some will not have them throughout the day. Please make sure you understand the route. Hardwick roundabout is the first you come to it is big. First time is straightforward, take the first exit, it will be signed and there will be marshals at the key positions. The next time you get here go round the system until you are directed to Hereford (4th exit). All riders will go to Hereford and then once you get back to Hardwick you go onto the Mid Day circuit. When the first rider on the road has completed four Mid-Day circuits* everyone will then head to the start of the Finishing Circuit (a 'Finish Circuit Open' board will be displayed at Raglan roundabout to make you and your followers aware of this too). *The Chief Marshal may reduce the number of circuits in adverse weather conditions
- This event is subject to Dope Control, it is your responsibility to check whether you are required to attend Dope Control. Early finishers: once you have reached TK1 you will be credited with a finishing distance. Tell the info desk or a marshal but best of all just take a short time-out and then carry on. Please make sure you notify us if you decide to finish earlier than this (but see the note about Dope Control).
- **Notes to helpers:** all cars must be registered. Handing in a car registration form does not entitle you to follow your rider around the course. The course is dual carriageway based and

- there are lots of lay-bys. After the initial Hereford leg, a rider will never be more than 30 minutes away.
- 9 Helpers must park sensibly: do not use the Hardwick pub car park but parking on the bit of the "old road" adjacent to the pub is fine.
- **Navigating your way around the course:** riders will be given a coloured sticky number when they sign if they have vehicular support. Please fix this to the windscreen. Marshals will see it and can direct you if you lose your rider. You can also contact the information desk at Hardwick roundabout and they will do their best to help. Where practical, please support other riders with water, sponges, mechanical assistance, encouragement, etc.
- 11 Frequent passing (lay-by hopping): this is a breach of CTT Regs. You must not pass your rider more than once every 10 miles and you must not follow your rider (Regulation 22). Following your rider and lay-by hopping is a nuisance to other riders and road users. Especially after the Hereford leg, we strongly recommend that helpers select a suitable spot on the circuit and wait for their rider to come by. Police will be monitoring the event they have received complaints locally of people having 'natural breaks' in clear view of members of the public—please be discreet.
- Finding feeding places: the Hereford road is no problem plenty of lay-bys. There are 8 lay-bys on the A40 between Hardwick and Raglan roundabouts (east and west) and three on A449 between Llangeview interchange and Raglan Interchange (north and south) all suitable for feeding. There is a long area on the climb beyond the Raglan Castle turn to Mitchel Troy on the Unclassified road (old A40) which riders do five times which is ideal. I'm hoping to have a feed station should there be enough help
- 13 And finally: to everyone be courteous to each other, the marshals and other road-users.

All complaints regarding poor or inappropriate behaviour will be taken seriously.

You are the public face of our Sport so make it a smiley face!

Some useful information

- 1. **Mobile Phone Reception.** The 02 network covers the entire course. Vodafone service is patchy on the A40. Orange and T-Mobile are also reasonably good.
- 2. **Toilets**. There are facilities at HQ. There are toilets in the picnic area on the northbound A40 approaching the Monmouth tunnels and in the Services on A40 between Raglan to Monmouth tunnels are open (all on the Early Morning Circuit).
- 3. **Fuel**. The centre of Abergavenny (follow the A40) The Services on A40 north of Raglan Interchange and the Monmouth garage beyond the Monmouth tunnels.
- 4. **Parking** is available at the Headquarters. Competitors please do not park in the coned off Officials area.

- 5. Note to Helpers There are 8 laybys both westbound and eastbound on A40 dual carriageway between Hardwick roundabout and Raglan roundabout. There are no intersections. You will see your rider every 25.7 miles. Do not cross the central reservation barriers or your rider will be disqualified. Please remember that Gwent Constabulary will be monitoring your conduct during this event.
- 6. **HQ Opening Times** The HQ will be open from 5:00 am to 9:00 am, tea and coffee will be available before the start, please help yourself. The HQ will re-open at approx. 4:00 pm with catering available from Sharon Preddy Catering with wonderful cakes and Bacon Butties.

Feeding Arrangements

Food will be available before the Start at HQ
Menu:
Bananas
Malt Loaf
Brioche
Raisins/Sultanas
Ham or Cheese Cobs

I am hoping to have a Neutral Feed Station on the Mid Day circuit on the left fork on the gradual climb on the unclassified road (old A40) to Mitchel Troy depending on numbers of helpers from Abercynon RC and other local clubs.

Watch out for the Melon Man!

Riders without helpers can leave LABELLED bottles at HQ for collection at the Hardwick info desk (under the Easy-Up) which will be manned throughout the event. You'll have to stop to pick it up.

Riders - do your bit to keep Wales tidy!

Please do not drop bags & wrappers on the course

Setting up watches

Timekeepers please meet Robin Field at **TK3** (Green Bus Shelter near Llanarth) at 14:30 to check watches and collect timekeeper boards prepared by Robin & Frances Field. *Ian Boon will have boards and timekeepers time at Hardwick Roundabout*Please bring back your Timekeeper Stake with you to HQ to have a well-deserved cuppa and food.

Marshalling Positions 2018

Marshalling jackets will be brought to the Early Morning Circuit marshals by **Bridget Boon** (**Chief Marshal**) or an assistant preceding the field. (Hereford will supply their own)

When you have finished please hand them to the **Chief Marshal**, return them to HQ or drop them at Hardwick information desk

Any other offers of help would be very much appreciated - volunteers are always welcome

If anyone is unable to do what is set out below, could they please let Robin Field know on 07753603098
