Well what a day it was: road work traffic lights, HQ opening 3 hours late Alfresco signing on (and ablutions) all gave a 1950's feel to the early part of the event. The road work lights mysteriously 'disappeared' (twice) and a very hung over looking Stewardess eventually opened up, the sun came out and all became well in the world.

This is my first venture back to promoting 'proper' events (The Cardiff Byways Triple Hill Climb basically running itself). The Welsh CA has suffered an implosion for many reasons which need not be mentioned here. but I was not prepared to see it go under 'on my watch'. After discussing matters fully with my wife Frances as to what this work would entail time-wise I put my name forward to run the three Championships which had no organiser (my club mate Ritchie Tout agreeing to run the '12') and Dax Jenkins does a tremendous job with his Pontypool Band to run the 10.

The day saw some very good competition in the cake eating department as well as on the road. Congratulations to all the prize winners on some excellent rides. It was nice to see that all the Champions' times were 'personals' on a good but far from float day.

Many thanks to all those who 'did their bit' to make this event the success it was. I must mention my wife Frances who graciously put her Birthday celebrations on hold. Thank you Fran – did you enjoy the rousing rendition of 'Happy Birthday'! By the time you read this the Championship 100 will have been held and I'll have to start chasing up what has happened to the Champions' caps!

Robin.

The Welsh Time Trial Champions will be presented with their trophies at the Annual Welsh BAR Lunch. **Sunday 4 November 2012 at the Hawthorn Leisure Centre.**
