Good weather again this year although a bit chilly for the early starters. There were some hard luck stories from several riders who found stones on the dual carriageway and punctured. I think the Welsh 50 has found its place on the calendar.

Many thanks to my small band of willing helpers; Norman James and Glenda Fisher for timing (I did a little bit too!); Paul Robinson who has

pushed off ALL riders in this year's events promoted by me – over 400 riders have received a push like a steam catapult: Ritchie Tout and Will Bevan who time checked at Mitchel Troy and Frances Field who has to put up with my moods!
