It was a fairly good day weather-wise this year but with a rising headwind for the final stretch for the later starters to tackle. There were some hard luck stories from riders who found problems developing with their bikes during the event.

Many thanks to my small band of willing helpers; Martyn Heritage-Owen for timing the start; Paul Robinson who has once more pushed off ALL riders in this year's events for the Welsh CA (including the National '12') Paul does 150 mile round trip each time to do this so thank you very much Paul: I took over the start sheet production from Ritchie Tout when work commitments took him away from home at a crucial time.

All trophies, medallions etc will be presented at the Welsh CA Lunch on Sunday 6 November at TRW Club Resolven (on R25/3H course).

Dress is informal and there is plenty of space for bikes with hot showers available. The subsidised price is £12.50 and more details are available from frances.field@ntlworld.com.

This concludes the time trial racing season for the South Wales District for 2016 so I would like to thank all the promoters, timekeepers, caterers, marshals who have turned out week after week to keep 'our little sport' going.

+++++

I am up for re-election to the Board of CTT at the AGM in Daventry in December so please ask your National Delegates to vote for me!
