I would like to take this opportunity to express my sincere gratitude to the members and friends of the WCA for their assistance in the running of this event. I'll be the first to concede I'm not particularly good at event promotion and if it wasn't for the assistance of my wife and family ,plus the WCA and the fellow members of the South Wales district CTT, the event simply wouldn't happen. so please all come back with friends and fellow riders to help build the event into something worthy of a championship.
