**Object of the day.**

Start at bottom of big hill, ride to top of big hill, collapse in a heap, roll back down hill, eat cake declare that training will start tomorrow, so more cake is allowed! 😊

**Have a good one.**

**Go home safely.**

*The boring stuff.*

In the interest of your own safety ,Cycling time trials and the event promoters strongly advice you to wear a hard shell helmet that meets an internationally accepted safety standard. In accordance with regulation 15 , all junior competitors must wear protective hard shell helmets .

It is recommended that a working rear light, either flashing or constant , is fitted to the machine in a position visible to following road users and is active when the machine is in use.
