SEAT DESCRIPTION

A useful non-standard D shape toilet seat with a 350 mm seat width and 230 max reach extendable hinge. Made from long-lasting Duroplast, this seat features slow-closing adjustable chrome finished hinges. Suitable for closed coupled, wall hung, or back to wall pans where bottom access is not available.

Colour available

- White

SEAT DIMENSIONS

Length 427 - 442 mm adjusting (lid 437 mm)

Width 353 mm

Hinge 200 - 230 mm adjusting

Measurements are drawn from the toilet pan rather than the seat itself:

Length: centre line of the hinge to front of the toilet pan

Width: midway side to side of the pan edge

Hinge holes - mid hole to mid hole of the toilet pan

SEAT EAN: 5055724601199
