## Walking in the area

In addition to river packages we offer walking activities on request in the Mashi conservancy area which is home to wildlife including elephant, hippo, leopard, impala and giraffe amongst others.

## Overnight hiking trails

Our overnight hiking trail which is located on the edge of Mudumu national park in one of the most beautiful and unspoilt areas of Caprivi/Zambezi region. The walk is conducted in Mashi conservancy which has an unfenced boundary with the national park and we are accompanied by a conservancy game ranger throughout.

We camp at an exclusive site deep in the forest and the emphasis is on tracking and a true wilderness experience carrying basic provisions and involving lots of exercise! The area is home to all of the animals that are found in the national park. Food and drinks are provided.

The area which we utilise is also perfect for mountain biking and we have already established some great rides. Contact us for info if you want to bring your bike along.

## Afternoon/morning game viewing boat cruises.

Early morning or late afternoon 3-4 hour boat cruise traversing Bwabwata NP, focusing on game viewing and photography.

## Hourly Boat hire

Our boat is available for hire either for fishing or game viewing on an hourly basis, price subject to numbers. Please contact us for availability and rates.
