

REPORT: 27th March 2011

Hi all,

And another one bites the dust, and another one gone, and another one gone, another one bites the dust! Queen

The headline this week goes to Phil Treagus's **under 10s**. Sunday's **4-1** and **1-0** victories over **Meridian** mean they have won every game this season! Huge congratulations to all involved. The first game saw goals from Ollie Treagus, Alfie Hagggar, Callum Pelploe and Toby Potter-Drake. And in the second victory came courtesy of an own goal. Everyone on here will know the competitiveness of the u10s season as clubs shape up for the move into 11-a-side so this really is a massive achievement. I certainly can't remember an LBV team that has gone through the whole season like this. Phil has asked to thank everyone involved this year, the boys, parents, sponsors, everyone. And I'll leave the final words to Phil who summed it all up perfectly "absolutely chuffed!"

Other games were thinner on the ground as the season has already ended for some squads but there was still plenty of football:

- **the under 11s** played **Hangleton Rangers** in our last home game of the season and notched up a **6-0 win**. Goals came from Jack Dunkley (3), Louis Bradley (2) and Sid Barnes. The team is already assured of first division football next season and have three matches to see out the season.
- **the under 9s** another week of mixing players between squads, although this was as much about finding players who were up early enough after the clocks changed! We had two tough games against **Hawks** with us starting slowly before playing some good football. While we were good going forward, Hawks had a very well organised defence and keeper, which ultimately proved to be the difference between the teams as we lost **6-3** and then **2-1**.
- **the under 8s** played away against **Seaford Youth**. The first game saw us **win 2-0** thanks to goals from Felix Attfield-Davis and Joe Shersby-Wignall. The second saw Alfie Dobres, Charlie Hagggar, Eli Johnston, Louis Salmon and Owen Wellham all get on the score sheet as we **won 5-1**.

Please note: training has now moved back to Wednesdays 6-7pm at Malling. This week, however, a few transitional arrangements are in place:

U13s - no training this week

U11s - Wednesday training at Malling

U9s - Wednesday training at Malling

U8s - likely to be Friday training at Malling

If in any doubt please contact your manager direct.

Richard
