

Frills and Furbelows Bracelet - CLASP (using the Fire Polished Bead)

1. Add 8 A seed beads, then the 6mm fire polished bead and one A seed bead. Work back down the fire polished bead and the eighth seed bead. Add on 7 more A seed beads and then work through the opposite seed bead, bugle, seed bead on the end of the bracelet from where you started.

2. Reinforce these beads by working around them in the same order show above, twice more.

For the other side of the clasp:-

With your thread coming out of a seed bead add on 24 A seed beads. Go back down the 8th bead and then add 7 more A beads and work through the opposite seed bead, bugle, seed bead on the bracelet from where your started.

Work around these beads again in the order as above twice more to reinforce.
