

1st Stanstead Abbotts & St Margaret's Scout Group

STANSTEAD ABBOTTS

The Christmas Term ended with lots of festive fun for our Beavers, Cubs and Scouts with lots of party food, mince pies, music and games, and even a trip to the Panto. The Forest Beavers even had a go at ice skating too!

As well as their end of term party, the Scouts finished the year by winning the District Indoor Bowls Competition – a fantastic result with our Scouts showing some great skills. We wish them luck with their next competition in February when they hope to retain the District Cooking Competition Trophy.

The Beavers and Cubs are starting 2013 with more challenges and fun activities. The Panther Cubs will be trying out new sports and improving their fitness as they work towards their Fitness Challenge

Badges and some of our Beavers will be off to have enormous fun at the annual Ware & District Beaver Sleepover. There, girls and boys from Beaver Colonies throughout the local area will get together for a huge joint 'sleepover'. It's always a great opportunity for making new friends but not really for lots of 'sleep'!

With so many Section, Scout Group, District and County run events each year, our Beavers, Cubs and Scouts often make and meet up with friends from other Group Sections and Scout Groups. Then as they move up from Beavers to Cubs to Scouts and beyond these friendships often continue and develop as they join together at all these competitions, activities, events and camps. For many, these friendships can last a lifetime.

For all the latest stories, news and how to join in, please visit our website www.stansteadabbottsscouts.org or find us on Facebook. Adult Leaders, Helpers and Volunteers always wanted and welcomed – even for just the occasional events.
