

1st Stanstead Abbots & St Margaret's Scout Group

During the last month our Beavers, Cubs and Scouts have had some fantastic opportunities to learn some new skills and have huge fun trying out some new activities with their friends.

Between our two Beaver Colonies, the children have tried a Zumba fitness class, Irish Dancing and 'Shinty' for St Patrick's Day and thought about God and Superheroes; even painting pictures of how they thought 'God - a Superhero' might look.

A 'Hygiene' themed evening had all the Forest Colony Beavers learning how to wash their hands 'really' clean and brush their teeth 'til sparkling white. Soap and hot water plus some bright red disclosure tablets had the Beavers in heaps of giggles and soap suds. On the last night of term, both Beaver Colonies joined together along with their parents for a night of Quasar. Everyone had so much fun, they all want to go back soon.

Our Panther Pack Cubs enjoyed a Chinese New Year themed evening which included some delicious Chinese food and origami, followed the week after with an evening's introduction to Kung Fu. Jaguar Pack meanwhile, have been trying indoor Tag Rugby and working on their 'Bleep Tests' to think about fitness, before doing some wonderful egg decorating in the run up to Easter.

Always looking to do things a little differently, nine new Scouts were invested into the Scout Troop as they hurtled down Gosling Ski Slope on rubber rings one evening. Then, all ready for another exciting challenge and adventure, the Scouts spent a day learning to ride and then play Horse Hockey (Polo) near Windsor. The Scouts and leaders picked it up very quickly and were soon trotting and riding about having a 'brilliant time'.

Please see our **Website** or **Facebook** page for all our news and how to join in all the fun and adventure! www.stansteadabbottsscouts.org.uk
