We have been designing new patches to go onto your kit, they are similar to the Zap patches, but these specifically identify the unit with the County TRF on the left side, the ACF or CCF unit title in the centre and the affiliated Cap badge that the unit wears on the right side. We have named them as "Identity patches" They will help kit getting mixed up with other units during ACF Annual and CCF Central Camps...An example can be seen above with the Price William School patch.
