### **OBJECT OF THE GAME/GAME DESCRIPTION**

Chubby Cherub, a sweet little angel, enjoys eating and loves to help people. But life is never so simple. There are many obstacles he has to overcome before being able to enjoy some delicious food or partake in exciting adventures. Dogs are always trying to bite him. Birds continually peck at him. And when flying, he often gets covered with puffs of smoke from the chimneys. Even attempts to rescue a friend held hostage are thwarted when a burglar throws firecrackers at Chubby Cherub.

And all of these keep happening all the time! It's enough to get Chubby Cherub down. But with you at the controls, Chubby Cherub can prevail over anything or anyone who hinders him when helping a pal or eating a succulent shish kabob.

Make Chubby Cherub's day a great one! He's depending on you!

Please read this Instruction Booklet carefully to ensure proper handling of your new game. Save the Booklet for future reference.
