

# Free Design

## Peacock (simple)

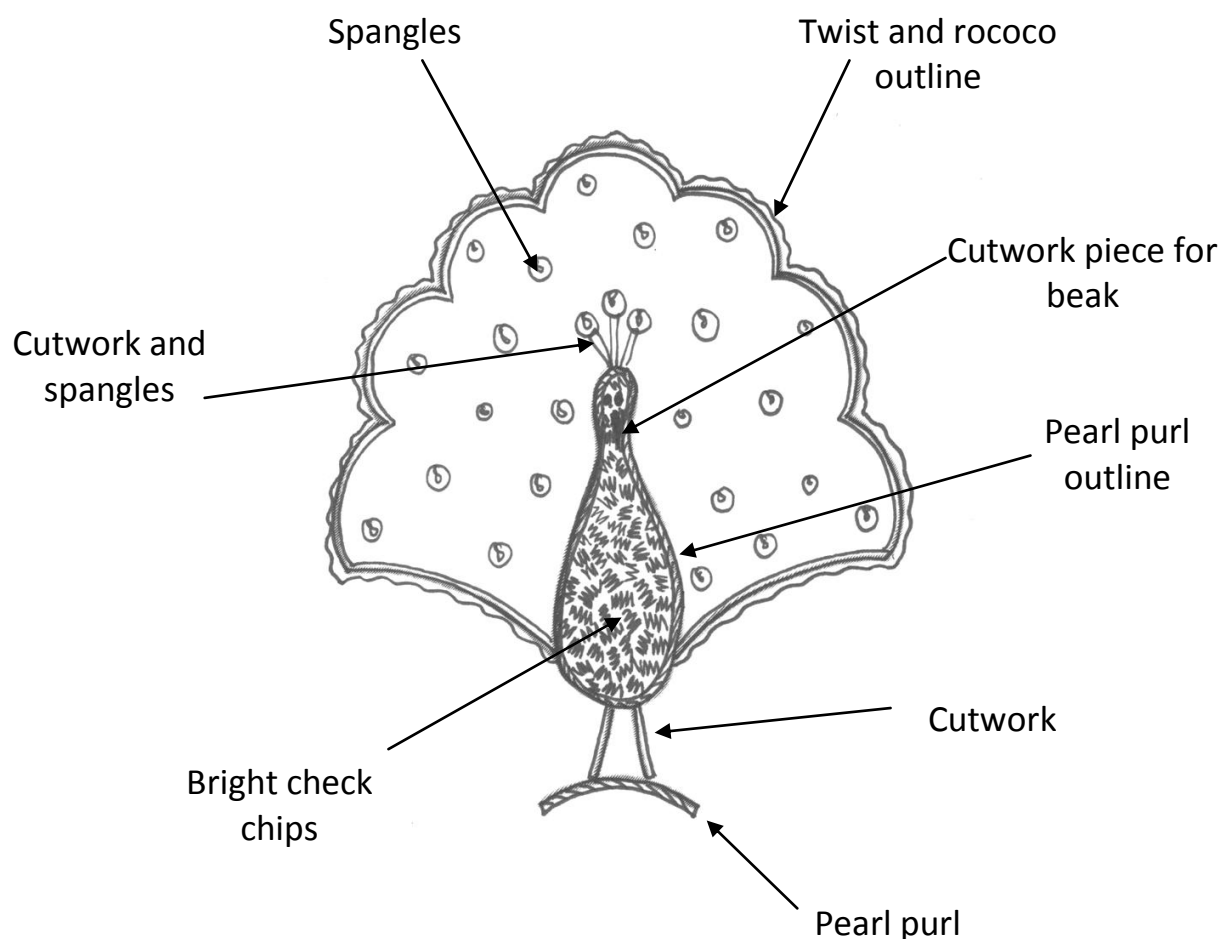

Print off this page and trace your chosen design onto your fabric. Go over the design with a black pen first if you can't see it clearly through the fabric. Frame the fabric into your embroidery hoop.

### Outline designs for transfer in 3 sizes

## Goldwork embroidery stitch suggestion

Visit the 'how to' video section of the website to see all of the goldwork techniques suggested above:

<http://www.sarahomfray.com/howto.html>

Sarah is happy for you to use this design for your own personal use but not for any commercial use please (e.g. selling it on, selling the finished embroidery).
