Silver Spangled Deer

Print off this page and trace your design below onto your fabric. Go over the design with a black pen first if you can't see it clearly through the fabric (our linens are perfect, see the shop for lots of lovely colours!). Frame the fabric into your embroidery hoop.

Outline design for transfer

Embroidery stitch suggestion

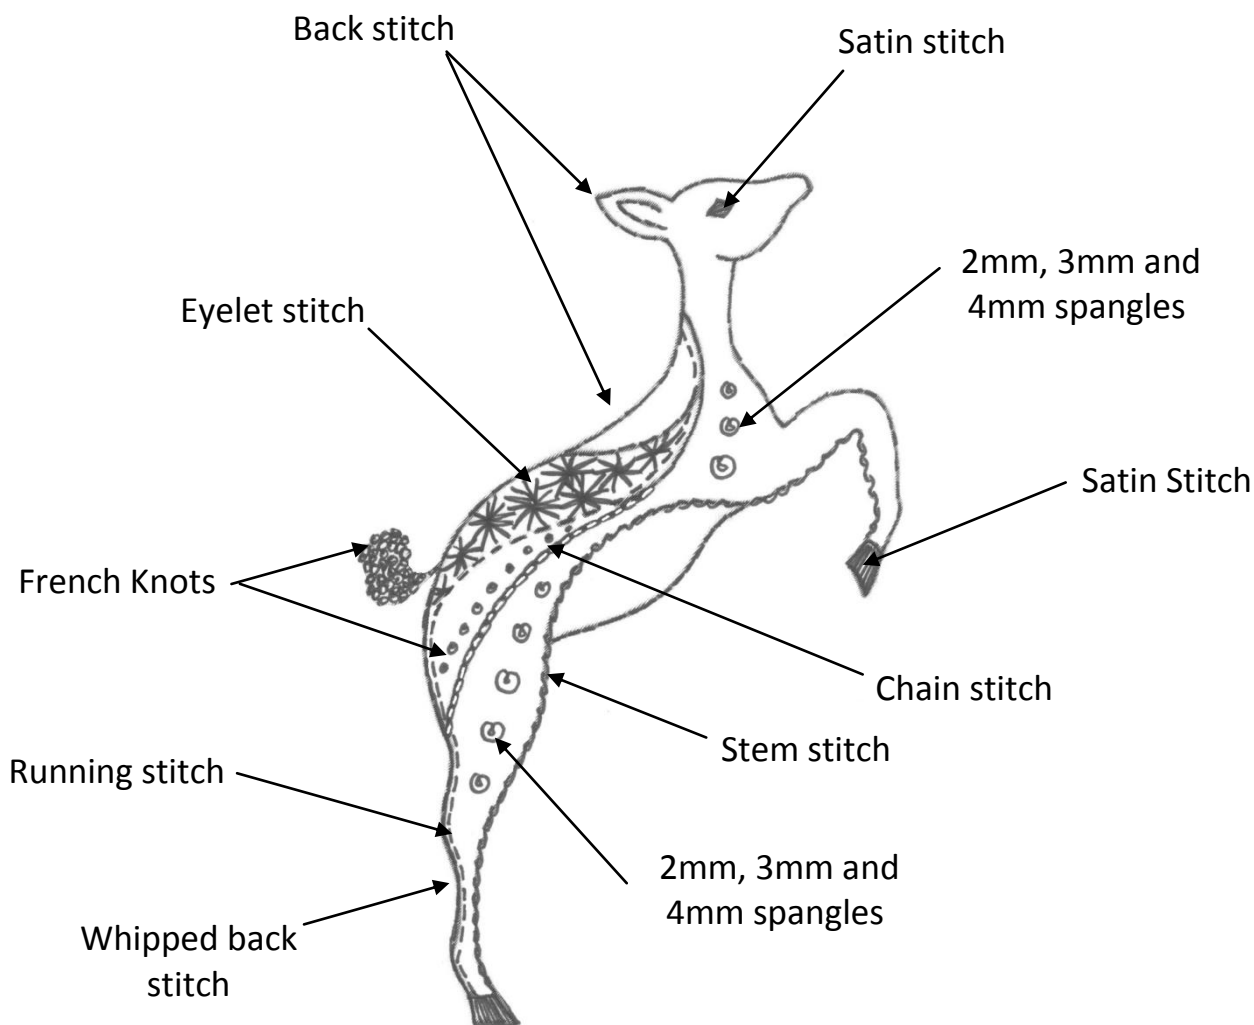

Materials I used (all available from the shop: www.sarahhomfray.com):

Lana threads – 3892 black, 3837 grey, 3935 & 3707 pinks, 3880 & 3943 purples

Silver spangles – 2mm, 3mm and 4mm

Japan Thread No.1 in Silver colour to sew down the spangles with.

But jump in your stash, see what you have and make up your own design!

Visit the 'How To' section of the website to see videos on all of the techniques above:

<https://www.sarahhomfray.com/howtovideos.html>

Sarah is happy for you to use this design for your own personal use but not for any commercial use please (e.g. selling it on, selling the finished embroidery).
