## Felt flowers

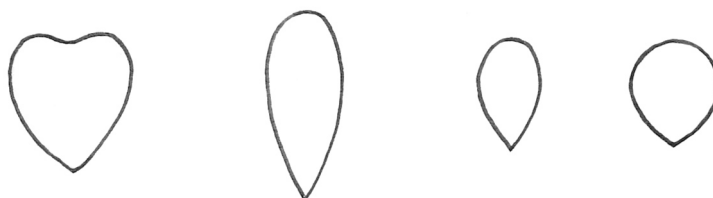

### Petal and leaf paper templates

---

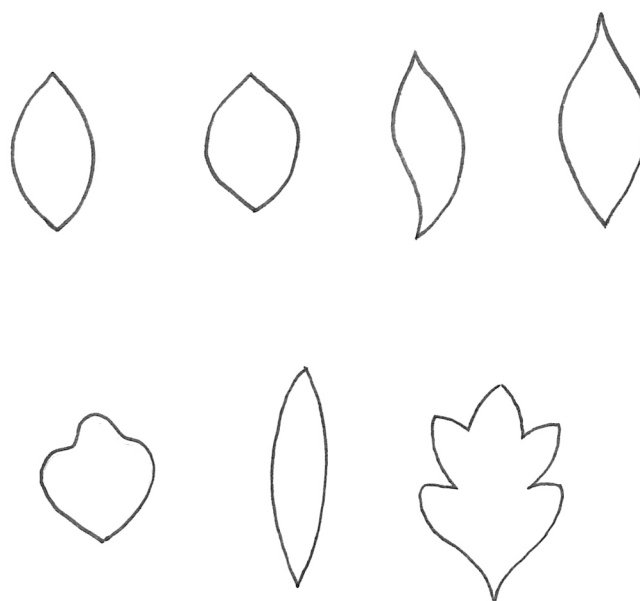

Print off this page and cut out your chosen templates from below. Place the template onto your felt (or fabric) and either draw around the shape or just cut around the template. Cut out the number of pieces of felt you require in total first, and then lay them out to decide on your composition before you stitch them down.

### Petal templates

### Leaf templates

### **Materials and equipment:**

- Linen or cotton fabric for sewing your flowers on to
- Calico/cotton backing fabric
- Felt for your flowers and leaves
- Embroidery threads to compliment your felt colours
- Embroidery frame to fit fabric
- Needles to suit your chosen threads
- Beads and sequins
- Embroidery scissors

**Go to my YouTube channel Sarah Homfray Embroidery to see a video on how to work these flowers as well as choosing the right needle for your thread, threading your needles and applying beads and sequins.**

**Sarah is happy for you to use this design for your own personal use but not for any commercial use please without Sarah's permission (e.g. selling it on, teaching, selling the finished embroidery etc.)**
