### **Directions from M60 Ashton-Under-Lyne Junction 23**

Turn either left or right on to the A635 depending on which direction on the M60 you have travelled.

Keep on the A635 as you make your way through Ashton-Under-Lyne.

At the second major roundabout take the 3<sup>rd</sup> exit – A635

Keep travelling on this road. Shortly after you pass a BP garage (on the right) you will start to approach a set of traffic lights. Keep to the left on the A635, DO NOT go through these traffic lights as this takes you in to Stalybridge.

Follow the A635 and eventually you will pass through 'bottom Mossley', carry on along the A635 until you pass the Roaches Lock pub on your right. We are next left after that on Camden Street. Camden Street is directly opposite an Italian Restaurant and if you pass the Fire Station Childrens Nursery you have gone too far.

At the junction where the A669 meets the A670 continue onto the A669, shortly after the Farrars Arms pub, there is a sharp turning on the right just before the road starts to bend, turn down Oaklands road and then right on to the B6175 Well-i-hole road. Continue to the junction at the top and turn right on to the A635, Manchester Road.
