

# RYDE MARINA BOWLS CLUB

**2025**

## GROUND & PREMISES

The present Club was formed by an amalgamation of Ryde Municipal and Ryde Town Bowls Clubs in 1969 but there has been a Bowls Club on this site for 125 years. Current membership is around 130. We have 2 greens which means that, with 12 rinks usually available, up to 96 bowlers can play at once. The Club has excellent facilities with a modern clubhouse, changing rooms, kitchen, bar and social area. Our site is right next to the marina on Ryde Esplanade and offers a very pleasant atmosphere in which to enjoy playing or watching a game of bowls.

## USE OF RINKS

A wide range of differing abilities is catered for, from relaxed CLUB ROLL-UPS to numerous FRIENDLY GAMES against visiting touring sides and a good standard of men's and ladies' LEAGUE MATCHES. In the Isle of Wight Leagues, we run 3 LADIES' TEAMS (usually playing midweek) plus an EVENING LEAGUE TEAM and 5 MEN'S TEAMS, (3 in the Saturday league and 2 in the mid-week afternoon league). CLUB PLAY is arranged once a week and usually consists of triples, where players of all standards are welcome to join in – dates will depend on what other matches are being played. GROUP COACHING for beginners/improvers is available on Saturday mornings.

The playing year commences mid-April depending on the spring weather and continues to late September. The main CLUB TOURNAMENTS are played during the summer and various other ONE-DAY COMPETITIONS are run throughout the season. Our noticeboards will have full details of all these interesting events.

The Club is open to the public every day from 10.30am to 5.00pm so that they are able to use the Club at all times during the day to gain access to mats, jacks, etc. Members can therefore use the Greens at any time subject to their use for Club Matches. Evening games are also easily arranged.

## MEMBERSHIP

FULL MEMBERS may play on their own, can join in club play, or participate in FRIENDLY GAMES (when selected). They may also play in internal and external tournaments as well as in League Matches. Members joining the Club on a permanent basis pay no individual Green Fees each time they play. *Partners* may join as SOCIAL MEMBERS. Prospective new members should come along at any time between 11.00am and 4pm to learn more about the Club. QUALIFIED COACHES are available for lessons, catering for all ages and standards. Recognised bowls clothing is ONLY required for League and Tourist Friendly Matches and other special events as notified but **correct footwear is compulsory at all times.**

## CLUB SHIRTS

We have commissioned specially designed Club Shirts incorporating our CLUB COLOURS which are used for Ladies and Men's League matches, Friendlies and various other events as notified. These can be ordered from Sam Williams who is the member responsible for the shirts.

## TEAM BOWLS – SELECTION

If you wish to be considered for FRIENDLY MATCHES, you add your name to the list posted on the noticeboard and teams are selected from these volunteers. For LEAGUE MATCHES, selection is largely based on the previous season's performances. Players are registered in team squads and they can play in other teams subject to various rules and regulations.

## TEAM BOWLS – HOW YOU CAN HELP

Members not playing are encouraged to come along and support our players and to help with the delivery of tea and biscuits to the rinks, if required. When playing away, team members are encouraged to contribute to the car drivers' expenses. At each Friendly, there is a RAFFLE which bowlers are invited to support in aid of Club funds. Visiting teams like to have a drink and socialise after the game and it is nice if Members pay for their oppositions drink (currently a total of £4 is asked from our members).

## CAR PARKING/LOCKERS

The nearest long term FREE PARKING is in East Hill. 2 hours free parking is available nearer the Club but you have to read the signs carefully to choose the correct bays. On-street parking outside the Club can be difficult and is costly over the season. Nearest parking for Permit holders is adjacent to the nearby Ice Rink. For storage of personal items, LOCKERS are available for a small fee (£7).

## HOW YOU CAN HELP TO SUPPORT YOUR CLUB

There are a number of social events – spoon drives, social evenings, meals, etc. – throughout the year, which it is hoped will be supported by club members. Members may be asked to provide muscle and expertise in WORKING PARTIES (including the upkeep of our greens) or by assisting with CATERING at Friendlies and other Club Functions. All members are asked to volunteer for STEWARDING from time to time. A few hours given by *all* members helps to prevent all the work falling on a few members; it also helps prevent subscriptions rising too rapidly. None of these things are very difficult, but they are vital to sustain club life and maintain a friendly and welcoming atmosphere.

It is hoped that MEMBERS will support Social Functions and Fund-Raising Events so that we can maintain and improve our facilities.
