

PLAIN WRIST WARMERS

Using Aran yarn and 5mm needles.

Finished measurements:

Length = 20cm

Circumference around hand/ wrist = 20cm.

MATERIALS

You will need 1 x 50g ball of Aran yarn.

TENSION

Using 5mm needles a square measuring 10cm wide x 10cm high = 18sts and 24 rows.

HOW TO MAKE THEM:

Using 5mm needles cast on 36 sts.

RIBBING:

Row 1: K1 P1. Rep to end of row.

Rep this row 5 more times, so that you have 6 rows of K1 P1 ribbing.

MAIN BODY:

Row 1: K

Row 2: P

Rep these 2 rows until you have completed 40 rows.

RIBBING ON TOP CUFF OF WRIST WARMER:

K1 P1. Rep to end of row.

Rep this row 2 more times.

Next row: cast off in rib pattern.

Break yarn and thread loose end through last stitch to secure it.

MAKING UP

Fold knitting in half with R sides tog. so that the ribbing is at the top and bottom of the work. Sew up side seam. Seam should measure 5cm from top edge. Then leave a 4cm unstitched gap for your thumb hole. Sew up remaining part of seam (which measures 11cm). Repeat instructions for second glove.

Total knitting time = 4.5 hours. Add 30 mins for stitching up, so 5 hours in total to complete.

Sessions needed to complete = 2 (1 session = 3 hours).
