

# Haywards Heath Harriers

## Event factsheet: HHH Road Running Championship

### What is it?

A Haywards Heath Harrier multi-event running competition with both age-graded and fastest time elements for female and male runners. The event is open to Senior club members. The championships comprise eight eligible events across the year, from which athletes must complete three, one each of: 10km, 10-mile and half marathon distances. The awards are known as the Bill Page awards in memory of a former club member.

### When is it?

The eight events take place between 3<sup>rd</sup> May and 24 October. The races for 2020 are:  
**10km:** Worthing (7 Jun), Brighton Phoenix (15 Jul), Newick (30 Aug), Hove Prom (24 Oct)  
**10-mile:** Rye (3 May), Haywards Heath (24 May)  
**Half marathon:** Gatwick (10 May), Barns Green (27 Sep)

### How does scoring work?

Athletes need to compete in one each of the distances. However, while three events is the minimum needed to qualify, the Club will always use the best score if additional events for a given distance are completed. Chip times will be used if available.

**Age-graded competition:** your best age-graded score (see [here](#) for details) for each event will be aggregated to give a combined score for the three distances. The highest score wins.

**Fastest time (non age-grading):** best times across the events will be used, with no adjustment for age-related scoring.

### Who is it for?

Everyone! All can participate and the competition elements are set up so that runners of all ages have a chance of winning a Bill Page Award.

### Why is it good for the club?

Competition between members is a good thing (honest!). The events also tie-in nicely with contributing to the Sussex Grand Prix (SGP) series and Sussex County Championship events.

### Why is it good for me?

As well as motivating you to compete, many events link with SGP and County Championship events, but also the Mid Sussex Marathon Weekend series

### How do I enter?

Entry is via individual event websites.

### How can I find out more?

Look out for club emails on the championship, check out the website, listen for announcements at training or speak to a committee member
