

Haywards Heath Harriers

An Introduction

So you are thinking of joining the Haywards Heath Harriers ... **Welcome!**

There is a warm welcome for **everyone** at Harriers. Our aim is to encourage anyone in Mid Sussex, from age 9 upwards (Under 13s - depending on our waiting list) to participate in athletics, whatever their ability. Please give Harriers a trial for up to a month. After that time let us know whether or not you would like to become a member. Make sure you have a chat with one of our coaches about your experience (if any) in athletics and what you hope to achieve.

Sports Equity Monitoring

Whilst it is not compulsory that this section is completed, the following paragraph explains why it is important.

Sport can and does play a major role in promoting the inclusion of all groups in society. However, inequalities have traditionally existed within the sport, particularly in relation to gender, race and disability. Sport England is committed to promoting and developing sports equity, which is about fairness in sport, equality of access, recognising inequalities and taking steps to address them. By monitoring the profile of young people in sports clubs, national governing bodies of sport and Sport England can identify any issues relating to under-representation of different groups and can together develop strategies to ensure that all young people have the opportunity in the future to develop and progress in sport.

In order to help the club monitor its membership, can you please tick one of the following sections to identify your ethnic group/origin:
