A hypnotically interweaving ambient trio, shortlisted as a finalist entry in the 2009 'REEDPLAY' competition and subsequently performed at the Guildhall school for Music and Drama, London by three leading specialists. Enjoy making the phrases as smooth and lyrical as possible; though from G onwards , the saxophone begins to reveal its true colours with a little more funk and flair, culminating in a rather grand finale. The 'air only' effect (at C for the wind players) should give an effect of gently lapping waves.

CD tracks feature Keri Degg (Clarinet, Alto saxophone, and Piano).
